Digital Summit Agenda

Day 1

Introduction

7:00am - 7:15am PDT / 9:00am - 9:15am CDT
Welcome Keynote: **Janelle Monáe**

Session 1

You Matter, Your Voice Matters

7:15am - 8:00am PDT / 9:15am - 10:00am CDT

Facilitators:

Jovian Zayne & Louisa Tatum

You have so much value to offer in every environment. We want you to understand that you have the right to be at every table and in every room. You have amazing things to contribute and this helps ensure that your distinct experience and voices are reflected in all conversations. Every environment that you are in should reflect society and this sort of inclusion helps advance change and innovation. We hope that the recognition of the power you have will help support the further acknowledgement of your dreams and help you realize your full potential.

Session 2

Telling Her Story

8:15am - 9:00am PDT / 10:15am - 11:00am CDT

Facilitators:

Billy Harris, Nikki Roberson, Courtney Jones, Kamala Avila-Salmon, ileta Sumner

We are so excited for you to meet women in a variety of industries that you are passionate about pursuing for a career. At times, when we are not vocal about the careers and career paths of women, we can reinforce ideas about what women can do professionally. We hope by sharing the stories of women and their careers, that we can help you understand that every career needs you and the diversity of your experiences. We truly hope you feel inspired by these women and that you see that possibilities are truly limitless for you and your dreams.

Career Panels: Women in the Arts, Women in the Culinary Arts, Women in Education, Women in Law, Women in STEM

Session 3

Supporting You for Your Success

9:15am - 10:00am PDT / 11:15am - 12:00pm CDT

Special Session Introduction Video:
Fem Luminary, Yara Shahidi

Facilitators:

Adrienne McCue, Jacqueline Pham, Megan Wintrobe, Serena Etcheson

Partner:

Step Up For Kids, Step Up for Mental Health

We need to talk about you, your feelings and how you feel about yourself! When we talk about these things we are really talking about your mental health. Good mental health is just as important as great physical health for your overall development. Just like adults, you can have big emotions from your experiences each day and that is okay. We know that after participating in this session, you will know how important it is to manage your emotions every day of your life for your own success.

Workshops

Workshop 1

Girls are the Solution to Change (Part I)

Time: **10:30am - 11:30pm PDT**
12:30pm - 1:30pm CDT

Facilitators: **Jihan Dubose, David Dickey, Anne Ross**

Wow! What a morning you have had! You learned so much about the value that you have to offer to society and we are just getting started. You are going to take all of that fresh optimism and inspiration to learn more about an issue in your community. You will learn about the impact this issue is having on your community and kids like you are making a difference in their community around that issue. Stay tuned because this a two part workshop and tomorrow, you will be able to create your action plan for change!

You are so amazing and we want the world to feel the impact that you can have on your community. As we ask you to work hard to make a difference, we need to give you some key tools to help you along your journey. We want to make sure that you actually know how to define leadership and different types of leadership styles. Do you already possess some important characteristics that will help you be an amazing leader or are there some new skills you want to develop to be an even more effective leader? We hope this session helps you awaken the leader within you and that you absolutely understand the impact you can have be it in school, your home or your community.
